Course Description/Objectives:

As licensed real estate professionals, we are responsible for adhering to license law, Code of Ethics, Multiple Listing Policy, FTC, Digital Millennium Copyright Act, and Computer Fraud and Abuse Act. All of these acts, laws, rules and regulations impact a license real estate professional's use of media. Social media and technology are fast paced and forever changing the world. In this course we will review the REALTORS® Code of Ethics and how to ensure you are in compliance while using all forms of media. We will decide how to remain informed on media issues and what systems to implement to ensure you will not damage your reputation.

All courses start promptly on time. LATE ARRIVALS WILL NOT BE ADMITTED.
No refund will be made for missed classes. Course exam will follow immediately after class.
