Course Description/Objectives:

Developed in partnership with NAR’s REALTOR Safety program, this three-hour course is an essential primer on how real estate professionals can limit risk to preserve safety – their safety, their clients’ safety – and for positive business outcomes. Students will learn how to assess risk in their current practice and create safety systems, scripts and tools for listing appointments, showing property and conducting open houses. Students will also learn how to protect personal and electronic information online, in the cloud and on social networks. As a practical resource, this course offers easy-to-remember strategies for real estate professionals when facing potentially dangerous situations.

All courses start promptly on time. LATE ARRIVALS WILL NOT BE ADMITTED.
NO refund will be made for missed classes. Course exams will follow immediately after class.
